923 434 UAH from Antoshka

Thanks to the generous support of the Antoshka network, we were able to bring joy to hundreds of children. In three months, the company collected 923,434 UAH, which was used for New Year's gifts and medical needs of our families.

We are sincerely grateful to Antoshka for caring for children who have lost their most precious things. Your help is not just support, but faith in their happy future.

Thanks to the generous support of IRT, we are implementing the "Warmth for Children" project. A charitable contribution of \$100,000 helps us provide families with charging stations, generators, heaters, power banks, uninterruptible power supplies, and pay for firewood to heat their homes.

We are sincerely grateful to IRT for helping our children stay warm during these difficult times. Your support is the warmth that every family feels.

Inspiring story of the month

Bohdan and Christina

When the full-scale invasion began, Bohdan and Khrystyna's father without hesitation joined the territorial defense, and later joined the ranks of the Armed Forces of Ukraine. In September 2023, he died during a combat mission. This loss was an indescribable grief for the family. Bohdan, who was very close to his father, is experiencing it especially hard. Tetyana, Hero's wife, is also working with a psychologist to find inner balance for herself and her children.

Despite the pain of loss, the family is recovering. Bohdan found solace in drawing, creating patriotic paintings. The Children of Heroes Foundation supported the family: a laptop, stationery, Christmas gifts, a grocery set. The most valuable thing was a trip to the Svitlyachok camp. The trip gave peace, and Tetyana returned with new strength to move forward. We are proud of the strength of this family and believe that thanks to the support of caring people, they will be able to find a new foothold in life.
