Socialization Program - Camps

The Children of Heroes Foundation actively implements a socialization program, among which camps occupy a special place.

These trips are not just a vacation, but also a chance for children to find joy and feel relief from stress and pain. The camps create a unique environment where everyone shares each other's experiences, helping children feel supported.

4311

children attended the
camp as of 2025

Vitamins and tablets from Acino

Vitamins will help support the health of children, especially those who need additional care. And tablets are an opportunity to learn, communicate and discover new knowledge.

Many families do not have the opportunity to purchase such things on their own. Therefore, this support is very valuable and timely.

We sincerely thank Asino for your concern and help. Together we can do more for the well-being of children!

Toys worth over 24,000 USD for children

This aid was provided by the Association of Ukrainians of Northern Germany, subdivision "UA NEVER ALONE", a member of the Association of Ukrainian Organizations in Germany, within the Ukrainian World Congress program "Unite with Ukraine". It has become a support for families experiencing loss or in difficult life circumstances. Thanks to this initiative, many children received not only toys, but also a piece of joy and warmth, which they so need in difficult times.

Thank you very much for your care and concern!

100 devices donated by HUG - giving children access to education

This month, **HUG** has made an extremely generous and important contribution to the future of our children - 90 tablets and 10 laptops were donated to children.

This assistance opens up new opportunities for children to develop, learn, and communicate. Thanks to this initiative, many of them will be able to join online classes, take educational courses, and have equal chances for quality education, despite difficult life circumstances.

We sincerely thank HUG for the care, attention, and faith in each child. Your good deeds change lives!

HUMANITE Peace Collective bestows knowledge

Thanks to the generous support of the **HUMANITE Peace Collective**, 115 children have gained the opportunity to learn English. These are not just lessons — they are a step toward a better future, new knowledge, self-realization, and self-confidence.

For many children who have experienced loss or difficult life circumstances, access to quality education is a true gift. Learning a foreign language opens doors to new cultures, friendships, and opportunities that once seemed out of reach.

We sincerely thank HUMANITE Peace Collective for believing in children and investing in their future. Your support is changing lives!

Inspirational story of the month

Volodymyr and Dmytro

Anna is the mother of two sons, Volodymyr and Dmytro. Together with her husband, Dmytro, they lived for 20 years. Dmytro devoted his entire life to serving the state - he served in the Ministry of Emergencies, worked as a psychologist in the Central Committee of the Ukrainian Civil Defense, and with the outbreak of a full-scale war, he joined the ranks of the Armed Forces of Ukraine. On June 23, 2023, Dmytro Mykolayovych died in Yampol, Donetsk Oblast.

After losing the breadwinner, the family was left alone with pain and difficulties. Both sons are children with disabilities. Volodymyr has a central nervous system lesion and requires constant treatment, and the mother herself lives with diabetes.

The Children of Heroes charity fund supports the family by providing financial assistance, medicines, gadgets, clothing, food, vitamins, as well as the opportunity to join events for children and families who have lost their loved ones. In particular, Volodymyr received financial assistance for necessary medications. The Foundation continues to support the family, helping them through this difficult period.

This family is an example of strength, dignity and struggle.
